

HC206 - WOOD

This beautiful side cabinet offers open shelves at the top, one full extension drawer, a practical pull-out night stand and a bottom door for hidden storage. Fully adjustable shelves allow you to accommodate different size objects. This cabinet comes standard with two wooden shelves.

The door/drawer design and handle choice on your cabinets will match the style of the murphy bed that you choose, unless otherwise specified.

Available in 18", 24" and 30" widths.

The HEIGHT of our Horizontal Side Cabinets sit below the height of our Horizontal Murphy Beds, so they will vary based on the height of the murphy bed that is ordered. 30" wide cabinets will have double doors. Door and Drawer fronts will match the murphy bed style that is ordered. For example, cabinets that accompany the Metropolitan Face murphy bed will have flat panel doors and drawers.
